# THIS YEAR'S AUCTION

Dear Valued Guest,

Welcome to our auction!

Similar to the previous year, the auction comprises two segments: an online auction that is currently open for bidding and a live auction available for bidding exclusively in the evening of the gala.

This catalogue comprises two sections: an overview of the items available for online bidding and a presentation of the items up for bid on Tuesday evening.

The online auction concludes on Tuesday at 22.00. Numerous auction items will be showcased at Tøystrup Estate on Tuesday evening, allowing you to examine all the amazing items before the online auction concludes and the live auction commences.

All proceeds from the gala will be directed to our (soon to be) two Ronald McDonald houses at Rigshospitalet and the new OUH in Odense. Families with critically ill children can live here for the duration of their child's hospital stay.

Thank you sincerely from the depths of our heart,

Ronald McDonald BørneFond  
&

The Charity Gala team:

Kim Due, the proprietor of Villa Monforte Barolo, has curated a program that includes visits to Danish wine producers. Kim Due will serve as your private tour guide throughout the journey. In Barbaresco, we will partake in a wine tasting with Peter Thomsen at his vineyard, Ca Barun, while in the Barolo region, we will visit the French-Danish family Fratelli Ferrero. You will also engage in truffle hunting and be introduced to this intriguing profession. You will learn about the skilled truffle dogs, and upon your return, there will be samples from the hunt.

The stay must be utilized between 1 November 2024 and 24 May 2025 and should be reserved well in advance. Please be aware that meals, transportation, and flights are not included.

Value: DKK 25,000 7 3350 euro.

# VILLA SALETTA

## A WEEK IN PARADISE

Enjoy an exclusive stay at Villa Saletta, a 1760-hectare vineyard in wonderful Tuscany. The farm has a remarkable history spanning centuries. The current owners have transformed the original farmhouses into luxury villas with state-of-the-art amenities in elegant Tuscan design.

Villa Saletta produces a small selection of top-quality Tuscan wines. Each of the vineyards has its own specific soil and climate, and production is focused on preserving these inherent local characteristics in the wines. The farm is located about 35 minutes from the airport in Pisa and within the Golden Triangle - Pisa, Florence, and Siena.

The grant includes 1 week (Saturday to Saturday) at Villa Saletta in Tuscany, Italy. Accommodation in one of the 3 villas for 6-14 people. It also includes a winery tour and tasting with Villa Saletta's winemaking experts, as well as access to the outdoor pool, barbecue, patio, linens, towels, housekeeping Mon-Fri. Fully equipped kitchen with tea, coffee, milk, juice, bread and butter and a welcome

kbottle of wine from the farm.

The contribution does not include flights, transfers, excursions, and heating of the outdoor pool (a fee is added if heating is desired). Valid for one year.

Værdi: 100.000- DKK / 1350 euro.

# COMMUNITY ROOMS

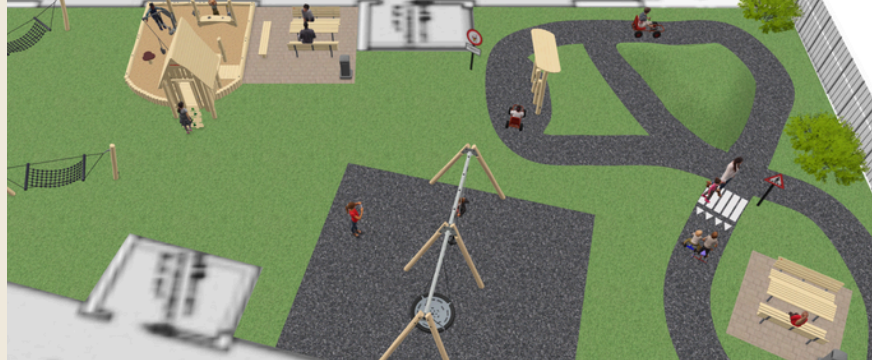

## **Transform the community rooms in Odense into a welcoming oasis for all family members**

A dedicated section of the house in Odense is designed to accommodate the entire family. This includes a television room that provides ample space for gathering during football matches, enjoying Friday night activities, and unwinding. We foster an environment that allows for togetherness in various pursuits, enabling older children to retreat and engage in play without the curious spying of younger siblings. Additionally, this area is suitable for hosting guests during birthdays or whenever the family needs to come together with loved ones.

This area will accommodate the clearing of an entire room to create an expansive balance track for all the young ninjas, as well as a yoga session for anyone wishing to participate on Thursday at 10. Or providing opportunity for KreaHeltene to join the kids with innovative ideas in constructing the world's most impressive space rocket from cardboard boxes. This section of the house should provide space for the best of everyday life, as it is feasible for families. The winner of this auction will have the privilege of contributing to the support of the community, creativity, and daily life. A plaque will be installed featuring an engraved text or logo, which the auction winner will determine in collaboration with the foundation.

Starting bid: DKK 50,000 / 6700 euro.

# THE GREAT OUTDOORS

## Turn the Ronald McDonald House in Odense into a green and natural sanctuary for all

Our future house in Odense is build with care, tailored for families. We have specifically concentrated on maximizing the stunning landscape surrounding the home, which will establish a serene and picturesque environment for families with critically ill children.

Our aim is to provide them with an opportunity to find respite and simply enjoy time together as a family, or to carve out a moment of tranquility for themselves. With KOMPAN, we have created a playground and community area at the center of the home, featuring ample opportunities for speed, engagement, and the sensation of grass beneath one's feet. In this space, adults can have a cup of tea while children enjoy their playtime.

One section of the grounds serves as an ideal location for family-oriented activities, offering tranquility and a connection to nature. In collaboration with OUH's "sprout consultant" and landscape architects, we have designed an area abundant with opportunities to gather flowers for home or hospital rooms, harvest herbs for culinary use, or stroll along a picturesque path. This path, lined with beautiful trees and diverse landscapes, provides a serene environment conducive to reflection. Hammocks and benches positioned along the route create small oases where visitors can pause, take in their surroundings, and enjoy solitude. A plaque will be installed featuring an engraved text/logo, which the auction winner will select in partnership with the foundation.

Starting bid: DKK 250,000 / 33510 euro.
